## Why Daylesford Crossing?

Daylesford Crossing blends the warmth of a close-knit community with the sophistication of Main Line living. Here, you'll find inviting spaces, upscale apartments, engaging programs, and a focus on wellness that brings energy and ease to each day. Add exceptional dining, friendly neighbors, and a relaxed elegance, and you've discovered a community that feels both comfortable and inspiring.

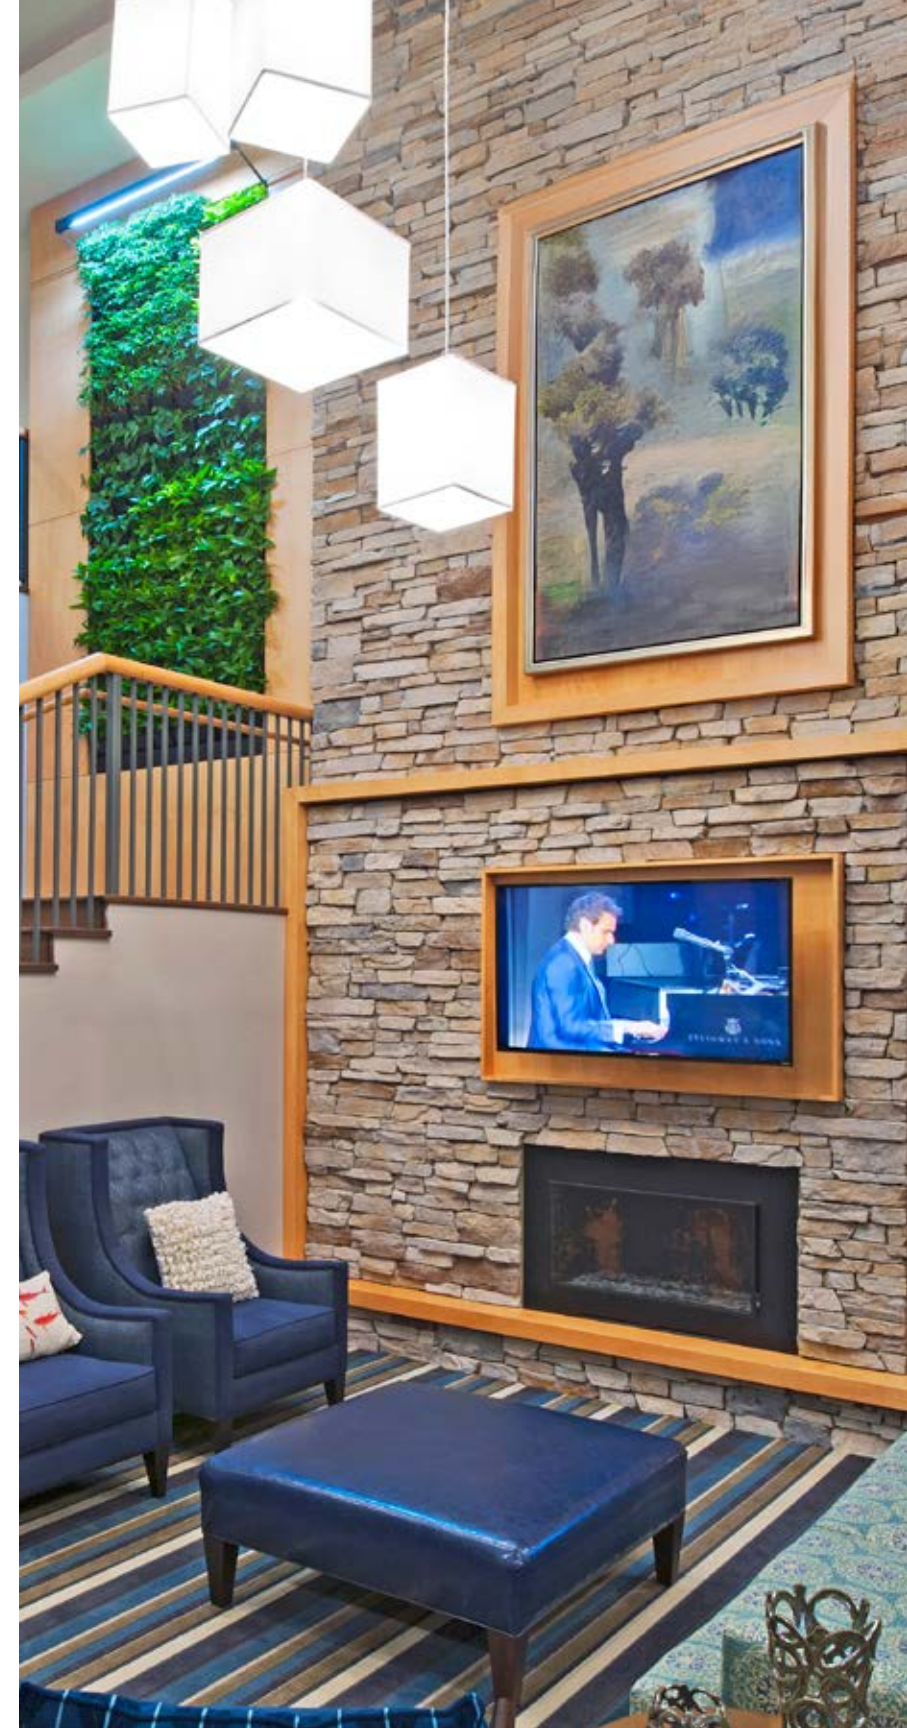

Perfectly situated in Paoli, you're close to everything you love—shops, restaurants, cultural attractions, and exceptional healthcare—while enjoying the calm of a boutique setting that feels like home.

Daylesford Crossing is for anyone ready to embrace each moment with confidence and joy.

## What Makes Daylesford Crossing Different?

At Daylesford Crossing, your preferences shape your experience. You'll have a voice in the meals you enjoy, the programs you choose, and the way you spend your days. Our intimate setting means you're never just another face—you're part of a community that values connection, familiarity, and genuine care.

Life here offers a refreshing blend of independence and support. It's about living comfortably, staying engaged, and knowing a dedicated team is always close by when you need them.

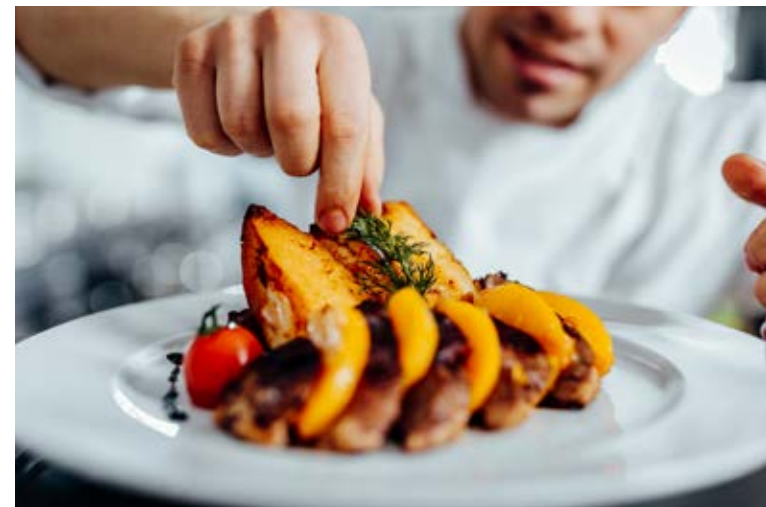

## About Solera Senior Living.

Solera Senior Living is dedicated to creating communities that elevate the experience of aging. With a focus on personalized service, engaging programs, and thoughtfully designed environments, Solera brings a hospitality-driven approach to senior living that feels both modern and meaningful.

Founded in 2016 and headquartered in Denver, Colorado, Solera is built on core principles that guide every community: attracting and developing exceptional talent, delivering outstanding hospitality, embracing smart technologies, offering enriching resident programs, and providing high-quality care. Each community is designed to reflect its local surroundings while offering best-in-class amenities and support.

At Solera, we believe senior living should be vibrant, connected, and deeply human. Our teams don't see their work as a job—they see it as a calling.

## Senior living elevated

Hospitality is woven into everything we do. We approach senior living with the mindset of a boutique hotel, anticipating needs, elevating everyday moments, and creating experiences that feel effortless and personal

# PERSONAL CARE

Support that feels natural.

Personal Care at Daylesford Crossing offers the perfect blend of independence and assistance. You'll enjoy freedom from daily chores along with compassionate help tailored to your needs. Whether it's a little assistance or more consistent support, our team is here to make each day easier and more enjoyable.

With access to a Registered Nurse and a dietitian, you can feel confident knowing expert care is always available. Our Caregivers, Certified Nursing Assistants and Medication Technicians are supported 24/7 by on-site licensed nurses. Our goal is simple: to help you live comfortably, safely, and with dignity.

# MEMORY CARE

Where comfort and connection come first.

Memory Care at Daylesford Crossing provides a secure, nurturing environment for individuals living with Alzheimer's and other forms of dementia. We focus on honoring each resident's personal history, strengths, and preferences, creating moments of joy and connection throughout the day.

Structured routines, meaningful engagement, and compassionate support help residents feel grounded and valued. Families gain peace of mind knowing their loved one is surrounded by understanding and expert care.

# PARKINSON'S CARE

Specialized care for your unique journey.

Our approach to Parkinson's care is comprehensive and deeply personalized.

A coordinated team—including a physician or nurse practitioner and dedicated caregivers—works together to support mobility, balance, speech, and overall well-being.

Therapeutic exercise classes, targeted movement strategies, and chef-prepared meals tailored to dietary needs all contribute to a lifestyle that promotes independence and enhances quality of life.
